The American Legion.

Recently a meeting was held in France by representatives from all the units of the American Expeditionary Forces, at which tentative plans were made for the organization of the American Legion, to be composed of all soldiers, sailors and marines who have served in the military force of the United States in the war with Germany, including both of those who served in Europe as well as their comrades who did not get across.

Lieutenant Colonel Theodore Roosevelt was appointed by the Paris meeting as temporary chairman to organize the movement in this country. At a meeting in New York it was decided to call a conference at St. Louis on May 8th, 9th and 10th for the purpose of perfecting a temporary organization. In November, after all the troops are back, another meeting will be held to elect permanent officers, etc.

I have been requested by those in charge to appoint a temporary secretary and a temporary state committee, and to arrange for two delegates from each congressional district in this state to the St. Louis meeting. I have accordingly named Sergeant Edward J. Cahill, late Machine Company, 36 Infantry, 89th Division, as temporary secretary, to whom all correspondence may be addressed at Jefferson City.

It is requested that all soldiers, sailors and marines in each county in the state meet at the county seat at 2 o'clock p. m., on Saturday, April 26, 1919, to name a delegate and an alternate to meet at some central point in the district to be hereafter named, on April 30, 1919, for the purpose of electing two delegates and two alternates to the St. Louis convention. In St. Louis, Kansas City and St. Joseph the congressional delegates will be selected on April 30th. It is desired that at least one of the two delegates be an enlisted man.

The American Legion will be strictly non-partisan and the discussion of political questions or policies will not be permitted at its meetings. Its objects are to stimulate patriotism, to inculcate the duty and obligation of the citizen to the state, to preserve the history of the participation of its members in the war with Germany and to cement the ties of comradeship formed in the service. Similar organizations have been formed after the various wars in which our country has engaged and it is desired to organize this one without delay.

IF WOMEN ONLY KNEW

What a Heap of Happiness it Would Bring to Lexington Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that

Backache pains often come from weak kidneys.

'Twould save much needless woe.

Doan's Kidney Pills are for weak kidneys.

Read what a Lexington citizen says:

Mrs. A. Ashford, Fifth St., says: "From my experience with Doan's Kidney Pills, I can recommend them to others. I had rheumatic pains in my body and arms. My kidneys acted too frequently and I began to wear out physically. I got Doan's Kidney Pills at Crenshaw & Young's Drug Store and found great relief. I shall keep Doan's on hand hereafter in case of need."
